SKILLS

- CSS/HTML
- PHP
- Python
- GIT

EDUCATION

SECONDARY SCHOOL

Mount St Marys High School
2019-2024

QUARRY HILL COLLEGE

Leeds City College
2024-2026

PERSONAL STATEMENT

My personal aspiration is to become a website developer, as I enjoy coding and seeing everything come to life on the page.

I am hard-working and have strong communication skills. I can work both independently and as part of a team. I am eager to learn and ask follow-up questions to deepen my understanding and expand my knowledge.

EXPERIENCE

INTERN SOFTWARE DEVELOPER

Tribus Digital

2025- 2026

- When I first joined Tribus, I learned website development using FreeCodeCamp and Udemy courses. These platforms helped me enhance my knowledge of both front-end and back-end development.
- In addition, I learned the basics of Figma and how to design simple website pages. I also gained an understanding of digital marketing fundamentals, including how advertising helps companies grow their businesses.
- I attended stand-up meetings where I provided updates on my tasks and outlined my plans for the day, which helped enhance my communication skills and sense of responsibility.

WEBSITE DEVELOPER

Parallax

2022- 2022

I gained exposure to the fundamentals of coding website pages, including how to use HTML and CSS. This experience led me to pursue website development.

While learning to code, I also developed key soft skills such as communication with colleagues, problem-solving when code didn't work as expected, and adaptability. I also developed a strong passion for building websites.

CYBER SECURITY WORKSHOP

2023-2023

- learnt how to attack and defend against hacks and how firewalls work
